

# SNEH WORLD'S INITIATIVE IN COLLABORATION WITH INDIAN TRAINER'S ASSOCIATION (ITA)

## SUPER SIX SESSIONS FOR A SUCCESSFUL TEAM

A unique and effective sessions introduced by Dr.Sneh Desai to focus on development of team spontaneously. Training is the best investment an organization can make in its people. Regular Training programs add to the skill set of the people and increases their job satisfaction. To help organizations increase their productivity, we conduct following "Super Six Sessions for a Successful Team".

These **SESSIONS** are designed considering the specific needs of the organization and are indispensable guide to achieve excellence in the competitive world.

Such a goal involves working to win in three diverse areas:

- Your own individual performance
- The collective performance of your unit, department or organization
- The external customers and marketplace

**Super Six Sessions** are designed for the duration of 6 months.

**EACH SESSION  
2:30 TO 3:00  
HOURS**

### THESE SUPER SIX SESSIONS FOR A SUCCESSFUL TEAM ARE AS FOLLOWS
